## MAXIMO® BASIC

Standard Seat with Mechanical Suspension

# MAXIMO® BASIC

## Technical Data

### Standard Seat

In order for a seat with mechanical suspension to be truly comfortable, it must be precisely adjusted to the user's weight. In the Maximo Basic, this is accomplished with an easy-to-use lever. Ideal for drivers of standard tractors, this seat model comes with suspension travel of 100 mm, a fore/aft isolator, and three-position height adjustment to ensure a comfortable ride.

Mechanical suspension

Mechanical lumbar support

Manual weight adjustment

Fore/aft isolator
