## MAXIMO® L

Comfort Seat with  
Automatic Positioning System

# MAXIMO® L

## Technical data

### Comfort seat

The driver benefits from a pneumatic suspension with automatic positioning system (APS) in the Maximo L. The APS automatically adjusts the seat to the driver's weight to ensure greater comfort and safety. Additionally, the mechanical lumbar support offers ideal support for the spine. The ergonomic shape of the tapered backrest and the wide cushions combine maximum freedom of movement with firm support. The Maximo L is suitable for big forklift trucks and construction machines.
